Soraya Correa Joins ACT-IAC Team

November 30, 2021 – Fairfax, VA. – Today, the American Council for Technology and Industry Advisory Council (ACT-IAC), the premier public-private partnership in the government IT community, announced that Ms. Soraya Correa, long-time federal executive, has joined the ACT-IAC team as Senior Advisor.

Ms. Correa retired from government service in 2021 after a distinguished career most recently serving as the Department of Homeland Security’s Chief Procurement Officer and Senior Procurement Executive. Prior to that assignment she served in senior leadership positions at U.S. Citizenship and Immigration Services (USCIS), the Naval Sea Systems Command, General Services Administration and National Aeronautics and Space Administration. She is now the Principal at Soraya Correa & Associates, LLC. She has also been a long-time volunteer leader for good government groups including ACT-IAC. She will serve as a consultant to ACT-IAC, offering strategic advice on acquisition and technology matters and supporting ACT-IAC’s government engagement efforts.

“Soraya brings a wealth of experience and insights and will be a tremendous addition to the outstanding ACT-IAC team,” said Dave Wennergren, ACT-IAC CEO. “She has an outstanding track record of bringing innovative ideas to the federal contracting market and we are delighted to have her wise advice and counsel.”

About ACT-IAC – Accelerating Government Mission Outcomes through Collaboration, Leadership and Education. The American Council for Technology and Industry Advisory Council (ACT-IAC) is a non-profit educational organization established to create a more effective and innovative government. ACT-IAC provides a unique, objective, and trusted collaboration forum where government and industry executives work as partners to address crucial issues, apply best practices and pioneer innovative solutions. ACT-IAC also provides high quality learning and educational opportunities to improve the knowledge and expertise of the government workforce—both public and private. Further information about ACT-IAC can be found at www.actiac.org.
