

2020 Partners Program Application

Partners Program Description:

The ACT-IAC Partners Program is the technology industry's flagship executive development program for leaders in both Government and industry. The program's goal is to prepare Government and industry leaders for their roles at the executive leadership level.

The successful Partner will:

- Have 15+ years of experience in progressively responsible positions across a multitude of business activities – including, but not limited to, program/project management, technology management, financial management, procurement, business development, and marketing.
- **For Government**-Candidates should be a GS 15 (or a High Step 14) or equivalent currently serving in a leadership role that deals with significant people issues, multiple processes, and complex technologies. The candidate should be considered promotable to the highest level of Government leadership such as SES within the next 3-5 years.
- **For Industry**-Candidates should currently be serving in a leadership role that deals with significant people issues, multiple processes, and complex technologies, and be promotable to corporate officer levels at the VP, S.VP, President, COO, CTO, CIO, and CEO levels within the next 3-5 years.
- Be able to dedicate an average of 20-25 hours per month for Partner activities between February and October. Please see attached program calendar for required dates.
- Attend all required sessions in person.
